

Azifa Bi
Chief Financial Officer, Nauru Airlines

Azifa is an accomplished finance executive with more than 12 years of experience across aviation, professional services, audit, risk management and corporate finance. Currently serving as Chief Financial Officer of Nauru Airlines effective July 2026.

Azifa has held senior leadership roles with Nauru Airlines, PwC Australia, Fiji Airways and Ernst & Young. Her experience spans strategic planning, financial control, budgeting and forecasting, finance transformation, governance, internal audit, aircraft financing and leasing, insurance programme management, and board reporting.

Azifa has successfully led financial transformation initiatives, developed long-term forecasting models, supported major fleet acquisition projects, strengthened governance frameworks, and provided strategic advice to executive leadership teams and Boards.
